 - Excellent for stainless steel
 - Hides light etch marks and scratches
 - Excellent for stainless steel-eliminates fingerprints
 - Interior and exterior use
 - Non-Abrasive
 - Easy-to-use
-

Typical Applications

Note: To ensure product performance and satisfaction, always pre-test this product in an inconspicuous area. Users must determine suitability of product for their intended use.

Before applying Stone Essentials® Countertop Polish, make sure all surfaces to be treated are thoroughly clean and completely dry. Protect and cover surfaces not to be treated by this product.

This product is not recommended for floors.

1. Caution! Flammable Vapors. Eliminate all sources of ignition – heat, sparks, flames, electricity, friction, and static, before using.
2. Ensure surface is sealed prior to use - if not, seal using Stone Essentials® premium sealers.
3. Shake well before using.
4. Hold container upright and spray foam polish 6” to 12” from stone surface.
5. Buff in a circular motion with a soft, dry, cotton towel to bring to a beautiful protective shine.
6. Repeat process on a routine basis or as needed.

**** Stone Essentials Countertop Polish is exceptional for stainless steel appliances, cleaning, protecting and polishing. It leaves a smooth silky feel and eliminates fingerprints!**

PRODUCT DATA SHEET – Countertop Polish

Maintenance

Natural stone needs to be cared for properly. Stone Essentials® Countertop Polish is not an absolute barrier to all spills, stains, and soils. However, natural stone, tile, grout, and masonry will repel stains and soils effectively when proper cleaning products and methods are used. For maximum stain protection, seal using Stone Essentials® premium sealers. To maintain your stone surfaces and grout use Stone Essentials® Daily Cleaner with Protector or a dilution of Stone Essentials® Daily Commercial Cleaner Concentrate.

Safety Precautions

- KEEP OUT OF REACH OF CHILDREN.
 - DANGER! FLAMMABLE VAPOR! Use with adequate ventilation. Keep away from heat, flames and sparks. Eliminate all sources of ignition – heat, sparks, flames, electricity, friction, and static. Vapors will accumulate easily and ignite explosively. Do not smoke when using.
 - CAUTION! CONTENTS UNDER PRESSURE. Do not puncture or burn container. Exposure to heat or prolonged exposure to sun may cause bursting. Do not expose to heat or stove temperatures above 120 F. Do not place in garbage compactor. Dispose of according to state and local government regulations.
 - Do not breathe spray or mist. Use this product with adequate ventilation. When there is potential for airborne exposures in excess of applicable limits, wear NIOSH-/MSHA-approved respiratory protection.
 - READ SAFETY DATA SHEET BEFORE USING. Use only as directed. Avoid eye and skin contact when using. Use with adequate ventilation. Do not breathe mists or spray. Keep container closed when not in use. Store in a cool, dry area.
 - Not recommended for floors. Protect and cover surfaces not to be treated by this product.
