- Streak free/free-rinsing
- Non-abrasive/solvent free
- VOC-compliant in all 50 states
- Environmentally-friendly
- Safe for all stone, tile and grout
- Fresh scent
- Interior and exterior use

Typical Applications

Note: To ensure product performance and satisfaction, always pre-test this product in an inconspicuous area. Users must determine suitability of product for their intended use.

Before using vacuum, sweep, dust mop, or wipe all loose debris from surface to be cleaned.

1. Always cover and protect surrounding surfaces not intended to be cleaned. Avoid contact with eyes and skin when using.
2. In your test application, use mixing ratio below to determine dilution level for desired results. Mix with warm water for best results

Cleaning Level	Cleaner	Water
Ready-to-use formula	1 part	64 parts

3. Liberally apply cleaner to the surface using a low-pressure pump sprayer, mop or rag. Allow cleaner to dwell on surface for 2-5 minutes to break down soils.
4. Clean well, using a stiff nylon hand brush, whit nylon pad, or 110-150 lbs.1.5 hp175-rpm floor machine with scrub brush or pad attachment for large floor areas.
5. Wipe up excess with a clean absorbent towel or sponge-no rinsing necessary.

Maintenance

Natural stone needs to be cared for properly. Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Stone Essentials® premium sealers. For polished natural stone counters and walls, use Stone Essentials® Countertop Polish. Countertop Polish is not recommended for use on floors.

Safety Precautions

- KEEP OUT OF REACH OF CHILDREN.
- Avoid contact with eyes and skin. Wear eye and skin protection when using this product. Do not breathe spray or mist. Use with adequate ventilation.
- Cover all areas not to be treated.
- READ SAFETY DATA SHEET BEFORE USING. Use only as directed. Keep container closed when not in use. Store in a cool, dry area.
- In case of contact with eyes or skin, flush with clean water for at least 15 minutes. If irritation persists, get immediate medical attention.
