
Stone Essentials® Pro Strip GR

PRODUCT DATA SHEET

Description

Stone Essentials® Pro Strip GR is a concentrated, environmentally friendly, water-based, multi-purpose coating and sealer remover formulated to strip most topical sealers, urethane coatings, acrylic finishes, wax coatings, paints, adhesives, graffiti and epoxy grout haze. Pro Strip GR stays wet longer, resulting in increased dwell times to remove coatings. Pro Strip GR is VOC compliant in all 50 states.

Advantages

- Used for Stone, Masonry/Grout & Vinyl
- Quick Acting/Long-Lasting
- Graffiti Remover
- Environmentally Friendly
- VOC compliant in all 50 states
- Deep Cleans
- Highly Concentrated
- Interior and exterior use

Typical Applications

Note: To ensure product performance and satisfaction, always pre-test this product in an inconspicuous area. Users must determine suitability of product for their intended use.

- 1) Mask off and protect baseboards or adjacent areas not to be treated.
- 2) Liberally apply a coating using a chemical resistant low pressure sprayer roller, paint brush or scrub pad.
- 3) Allow Pro Strip GR to dwell up to 2 hours without drying or until coating or residue softens. Do NOT allow CAL Pro Strip to dry on surface by adding more stripper if needed.
- 4) Agitate with scrub brush or a scrub machine.
- 5) Wipe up residue with clean white absorbent towels, sponges or wet vacuum.
- 6) Rinse thoroughly with clean water.
- 7) Removal of thicker coatings and residues might need several applications. Repeat steps 1 thru 6 if needed.
- 8) Allow 24 hours before re-applying coatings. Dispose of removed coating and stripper properly.

Note: Pro Strip GR can be mixed with either Heavy Duty Cleaner Concentrate or Stone & Tile Restore Concentrate eliminating cleaning steps and saving time.

Maintenance

Natural stone needs to be cared for properly. Natural stone, tile, grout and masonry will maintain its beauty, last longer, repel stains and soils effectively when treated with the proper stain protection and cleaning products. This application does not eliminate the need for routine cleaning/protection maintenance and methods. **Stone Essentials®** makes a full line of products for stone protection and maintenance.

Safety Precautions

- KEEP OUT OF REACH OF CHILDREN.
- Avoid contact with eyes and skin. Wear eye and skin protection when using this product. Do not breathe spray or mist. Use this product with adequate ventilation. When there is potential for airborne exposures in excess of applicable limits, wear NIOSH/MSHA approved respiratory protection. DO NOT AEROSOLIZE!
- Cover and protect all areas not to be treated.
- READ SAFETY DATA SHEET BEFORE USING. Use only as directed. Keep container closed when not in use. Store in a cool, dry area.
- In case of contact with eyes or skin, flush with clean water for at least 15 minutes. If irritation persists, get immediate medical attention.
