

Stone Essentials® Stone & Tile Restore

PRODUCT DATA SHEET

Description

Stone Essentials® Stone & Tile Restore is a ready-to-use, heavy duty acidic cleaner for natural stone, ceramic tile, slate, sandstone, grout and masonry surfaces. It will remove hard water mineral deposits, grout haze, efflorescence and soap scum from surfaces.

Advantages

- Deep cleaning
 - Professional strength
 - Removes efflorescence
 - Free-rinsing
 - Non-abrasive
 - VOC compliant in all 50 states
 - Restores surface to original beauty
 - Removes hard water mineral deposits
 - Alkaline neutralizer
 - Interior and exterior use
-

Typical Applications

Note: Corrosive Liquid! This acid-based cleaner will etch limestone, marble, travertine, concrete and masonry surfaces. It will corrode surfaces such as metals and surfaces sensitive to acids.

To ensure product performance and satisfaction, always pre-test this product in an inconspicuous area. Users must determine suitability of product for their intended use.

1. Always cover and protect surrounding surfaces not intended to be cleaned. Always wear protective equipment, gloves, glasses and protective clothing before using.
 2. Liberally apply cleaner to the surface using a low-pressure pump sprayer, mop or rag. Allow cleaner to dwell on surface for 2-5 minutes to break down soils.
 3. Clean well, using a stiff nylon hand brush, white nylon pad, or 110-150 lbs.1.5 hp175-rpm floor machine with scrub brush or pad attachment for large floor areas.
 4. Rinse well with clean water repeatedly, using a wet vacuuming system, clean mop, or sponge.

PRODUCT DATA SHEET – Stone & Tile Restore

Maintenance

Natural stone needs to be cared for properly. Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Stone Essentials® premium sealers. To maintain your surfaces, use Stone Essentials® Daily Cleaner with Protector or a dilution of Stone Essentials® Daily Commercial Cleaner Concentrate.

Safety Precautions

- KEEP OUT OF REACH OF CHILDREN.
 - **Corrosive Liquid!** Avoid contact with eyes and skin. Wear eye, gloves and skin protection when using this product. Do not breathe spray or mist.
 - Do **NOT** mix with alkaline materials, ammoniated cleaners or bleach as harmful fumes will result. Avoid contact with bases and metals. Will etch some surfaces. Will corrode metal surfaces and surfaces sensitive to acids. Cover areas not to be treated.
 - READ SAFETY DATA SHEET BEFORE USING. Use only as directed. Keep container closed when not in use. Store in a cool, dry area.
 - In case of contact with eyes or skin, flush with clean water for at least 15 minutes. If irritation persists, get immediate medical attention.
-
